DATES

The screenshot shows the Hair & Head software interface. At the top, there's a menu bar with options like Cliente, Servicio, Producto, Profesional, Promoción, Sucursales, Caja, Reportes, Usuarios, and Idioma. Below the menu is a date picker for November 2019, showing the 16th as the current date. To the right of the date picker is a 'Filtros' (Filters) section with radio buttons for 'Servicios', 'Profesional', 'Rango hor...', and 'Estado'. There are also checkboxes for 'Sólo activas' (Only active) and 'Sólo canceladas' (Only canceled). A 'Limpiar filtros' (Clear filters) button is also present. The main area displays a table with columns for 'Cliente', 'Precio en ARS', 'Precio en US\$', 'Inicio', 'Fin', and 'Estado'. A message at the bottom of the table area says 'No hay citas seleccionadas' (No appointments selected). On the left side, there's a 'Referencias' (References) panel with color-coded status indicators: Activa (green), En curso (orange), Reprogramar (yellow), and Fiada (cyan). Below the references is a user information panel showing 'Default user' and 'San Miguel'. At the bottom of the screen is a toolbar with various icons.

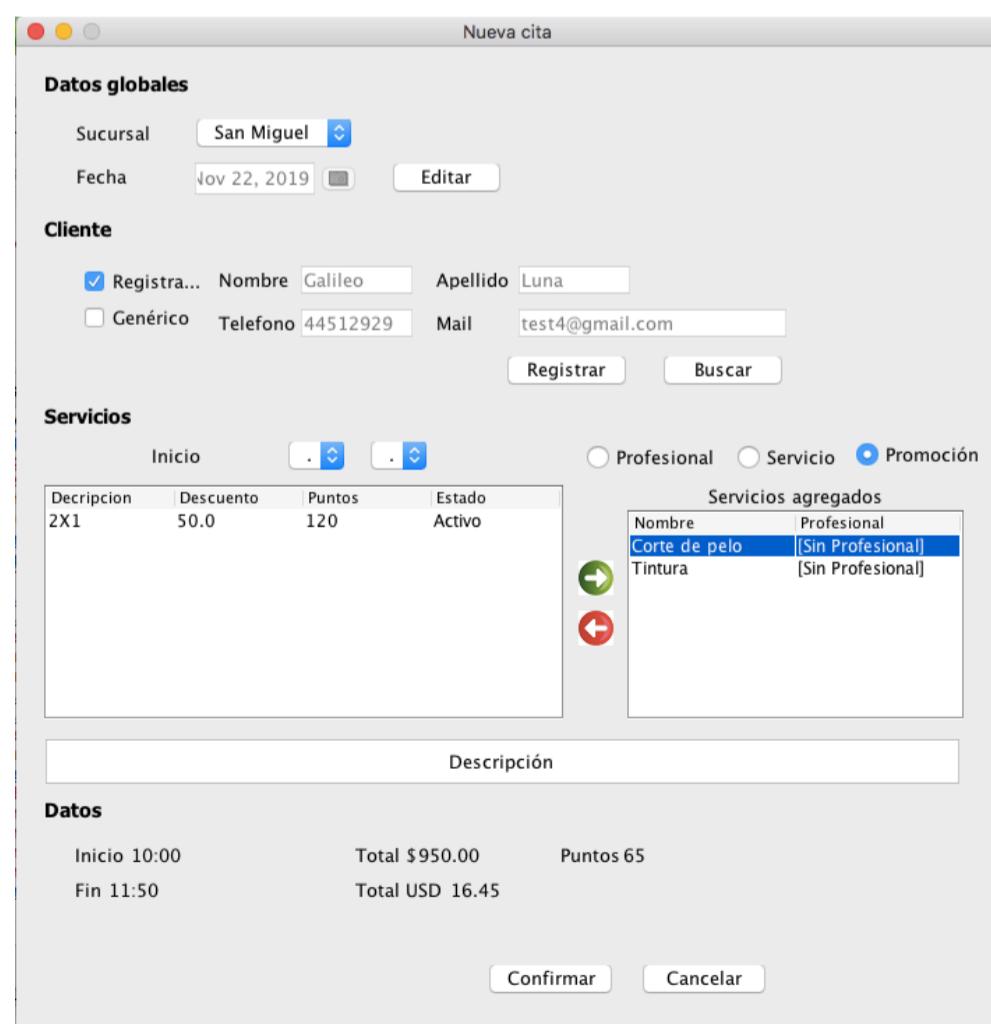

The system allows to generate appointments, by default the appointment is registered in the branch in which the user is achieved, to create it you must select a date.

The screenshot shows the 'Nueva cita' (New appointment) dialog box. At the top, it says 'Nueva cita'. The 'Datos globales' (Global data) section includes a 'Sucursal' dropdown set to 'San Miguel', a 'Fecha' (Date) field showing 'Nov 16, 2019', and an 'Editar' (Edit) button. The 'Cliente' (Client) section contains fields for 'Nombre' (Name) and 'Apellido' (Last name) with checkboxes for 'Registra...' and 'Genérico', and fields for 'Telefono' (Phone) and 'Mail'. There are 'Registrar' (Register) and 'Buscar' (Search) buttons. The 'Servicios' (Services) section has an 'Inicio' (Start) date selector, service type radio buttons ('Profesional', 'Servicio', 'Promoción'), and a 'Servicios agregados' (Added services) table with columns 'Nombre' and 'Profesional'. The table is currently empty. Below the services is a 'Descripción' (Description) text area. The 'Datos' (Data) section at the bottom shows 'Inicio' and 'Fin' with their respective currency totals ('Total \$' and 'Total USD') and 'Puntos' (Points). At the very bottom are 'Confirmar' (Confirm) and 'Cancelar' (Cancel) buttons.

Then it is necessary to load a client, this can be of those that are loaded in the system, where also the option to generate it, or you can opt for a generic user.

Next, you must proceed to select the shift schedule. Then you can select the service through different filters, Professional, professionals available are shown in the case of not having one, you can use a generic one, per service, which shows the available services, and for the current promotions.

At the end of the appointment, the appointment data is displayed, and after pressing the Confirm button, a proof of the appointment will be generated.
